This Special Privilege made and entered into this 26th day of **May, 2004**, by and between the **CITY OF EL PASO**, a Texas municipal corporation, hereinafter referred to as the "City," and the **CENTRAL BUSINESS ASSOCIATION OF EL PASO, INC.**, hereinafter referred to as the "Grantee."

WITNESSETH:

WHEREAS, the Grantee is requesting the use of portions of various City public rights-of-way within the Downtown Area to permit sidewalk vending for participating merchants; and

WHEREAS, the City has agreed to allow the Grantee the use of various portions of the City public rights-of-way pursuant to the following conditions,

NOW, THEREFORE, in consideration of the mutual covenants and Special Privileges hereinafter set forth, the City and the Grantee agree as follows:

1. **DESCRIPTION.** The City grants a Special Privilege to the Grantee to temporarily conduct sidewalk vending, hereinafter referred to as the "Event," on portions of the public right-of-way abutting the properties of participating merchants, all of which locations shall hereinafter collectively be referred to as the "Premises," as more particularly described in Exhibit "B," attached hereto and incorporated herein for all purposes.

2. **USE OF PREMISES.** The Premises shall be used by the Grantee solely for Event purposes. Each location participating in the Event, and identified within Exhibit "B," shall be permitted to conduct sidewalk sales within the "vending area." The "vending area" shall be the area immediately abutting the participating merchant's property, and measuring no more than three foot by nine foot (3' x 9') or six foot by nine foot (6' x 9') with a sales radius of three feet (3'). The vending area size may be divisible, provided that the subdivision does not exceed the maximum square footage permitted per location.

As an express condition of this Special Privilege, the following requirements shall be met:

- (a) The Grantee's use of the Premises shall be solely limited to sidewalk sales of merchandise of the type generally sold by the respective merchant; provided, however, that sales of food or beverage are hereby authorized for only those merchants whose principal business is the sale of food and beverage. Such sales of food or beverage as herein permitted shall be strictly limited to the sale of non-potentially hazardous commercially packaged food or beverage items that are bottled, canned, cartoned, or securely wrapped by a commercial food product establishment as defined by El Paso Municipal Code, Chapter 9.12; and
- (b) Keep a minimum clear width of five (5) feet of unobstructed sidewalk access for pedestrian use abutting the Premises; and
- (c) No equipment, tables, booths, electrical lines, or other structures shall be placed within fifteen (15) feet of any connections to sprinkler systems and water hydrants and water valves and sanitary sewer manholes on or near the Premises; and
- (d) No equipment, tables, booths, electrical lines, or other structures shall be placed in such a manner that access is obstructed to any entrance or exit of any adjacent business; and
- (e) No advertising except for displays of product cost, each sign measuring not more than one (1) square foot in size; and
- (f) Each participating merchant shall be allowed a maximum of three (3) vending areas per location with each merchant submitting a plot plan demonstrating spacing compliance;
- (g) The vending area size shall not exceed three foot by nine foot (3' x 9') or six foot by nine foot (6' x 9'), subject to all requirements stated herein, with all vending restricted to area;
- (h) The vending area size shall be divisible provided that the subdivisions do not exceed the maximum square footage permitted per location;
- (i) No stacking of merchandise shall be permitted above seven (7) feet;
- (j) Hanging of merchandise shall be allowed only within the vending area; and

- (k) Packaging or shipping cardboard shall be prohibited; all tables shall be skirted or otherwise adorned; display racks, tables and shelving shall be finished or painted; no storage permitted unless screened.
- (l) A correction notice shall be issued to a participating merchant upon a finding of non-compliance with the conditions of this Special Privilege. Two (2) correction notices per location shall be provided. Upon the third finding of non-compliance, a citation may be issued. A copy of any written correction notice(s) issued to a respective participating merchant shall be provided by the City Director for Building Permits and Inspections to the Grantee and the Building Permits and Inspections Department within five (5) working days from the date of issuance of such written correction notice(s). The City Director for Building Permits and Inspections shall maintain a written record of all written correction notice(s) issued within the Premises. Written correction notice(s) received from any City enforcement agency may be appealed to the City Building Permits and Inspections Department by the respective participating merchant receiving the correction notice. The appeal must be made within ten (10) working days from the date of issuance of the written correction notice(s). Upon the issuance of a third citation on a respective location within the Premises, the particular location shall be subject to termination. Further, each respective participating merchant may be cited by appropriate authorities for non-compliance with the provisions of this Special Privilege and shall be subject to any and all legal penalties as set forth in El Paso Municipal Code Chapter 1.08 (General Penalty).

Except as provided in this Special Privilege, nothing herein shall grant any real property interest to the Grantee. This Special Privilege is granted only for the term stated and nothing herein shall be construed to vest any continuing right in the Grantee.

3. **TERM.** Grantee shall be permitted to use the Premises commencing on Wednesday, May 26, 2004 through Saturday, July 3, 2004, between the hours of 8:00 a.m. to 6:00 p.m. each day.

The Premises shall be completely vacated and all Events related structures, equipment, and other items should be removed from the Premises no later than 6:00 p.m. on Saturday July 3, 2004.

4. **CONSIDERATION.** As consideration for the use of the Premises, the Grantee shall pay the City the prorated amount of Twenty One and 28/100 Dollars (\$21.28) per vending area defined as a three feet by nine feet (3' x 9') area, or Forty Three and 32/100 Dollars (\$43.32) per location defined as a six by nine-foot (6' x 9') area, which shall be due prior to the execution of this Special Privilege. Payment(s) shall be in the form of a cashier's check payable to "The City of El Paso" and delivered to the City Office of the City Comptroller. If the El Paso City Council disapproves the Special Privilege, the Office of the City Comptroller shall make a full refund of payment(s) within fifteen (15) days of the denial action. Any consideration paid shall not be refunded and any remaining balance shall be due and payable, not excluding other remedies under law, if this Special Privilege is terminated or canceled under the terms as described herein.

5. **COSTS.** This Special Privilege is granted on the condition that the Grantee pay for all costs associated with the Event.

6. **LEGAL RELATIONSHIP.** The Grantee assumes full responsibility for the planning, coordination, management and production of the Event. Nothing contained herein shall be construed as creating the relationship of employer and employee or principal and agent between the City and the Grantee, and the Grantee shall not be deemed to be an independent contractor. The City shall not be subject to any obligations or liabilities of the Grantee in the setup, operation, production, or take down of the Event. The grant of this Special Privilege shall in no way be construed as co-sponsorship of the Event by the City. Grantee shall ensure strict compliance by participating merchants of all requirements of this Special Privilege and shall provide for the routine enforcement of the Event.

7. **REPAIRS.** Grantee shall keep the Premises in good condition and repair and in a clean, orderly and attractive condition during the term of this Special Privilege. Grantee shall be responsible for all maintenance of the Premises and shall repair any damage to the Premises due to the operation of the Event, at the sole expense of the Grantee.

8. **IMPROPER USE.** This Special Privilege shall not permit or be construed to permit any other private use of the City's right-of-way that impairs its function as a right-of-way. Grantee shall not construct any additional improvements, or make any additions or

alterations on or over the City right-of-way, without the prior written consent of the El Paso City Council.

9. **INDEMNITY.** As a condition of the Special Privilege, Grantee shall indemnify, defend and hold harmless the City, its officers, agents, servants and employees from any and all claims, losses, damages, causes of action, suits, and liability of every kind, including all expenses of litigation for injury or death of any person, or for damage to any property, arising out of or in connection with Grantee's use of the public right-of-way, regardless of whether such injuries, death, or damages are caused in whole or in part by the negligence of the City.

10. **TERMINATION.**

- (a) A violation by Grantee of any of the requirements specified in this Special Privilege or any violations of the code not specified in this Special Privilege shall be grounds for termination of the Special Privilege. Termination of the Special Privilege is in addition to any other legal remedies available to the City, to include those specified under Chapter 1.08; and
- (b) A respective location authorized under this Special Privilege which upon third citation is issued by City enforcement agency shall be subject to termination of their rights granted under this Special Privilege for the duration of the remaining term of this Special Privilege.
- (c) Permission for vending areas located on El Paso Street from the US/Mexican Border to Paisano Avenue (US 85) and Stanton Street from Paisano Avenue to the US/Mexican Border (US 62) is subject to Texas Department of Transportation's ("TxDOT") continued waiver of Paragraph Seven of General Conditions of the Municipal Maintenance Agreement between TxDOT and the City of El Paso regarding encroachment of vending areas on the aforementioned rights of way as stated in a letter from TxDOT dated June 27, 2002, attached as Exhibit "C". Upon notification from TxDOT to the City that they will no longer waive Paragraph Seven of the Municipal Maintenance Agreement and require the enforcement of removal of encroachment on state or federally designated right of way, the rights granted under this Special Privilege shall be terminated immediately. Upon written notification from a representative of the City of El Paso, the

Grantee shall remove all encroachments immediately without any claim of compensation or reimbursement of fees, costs incurred or other damage, whether economic or non-economic.

11. **INSURANCE.** Grantee shall provide public liability insurance for personal injuries and death growing out of any one accident or other cause in a minimum amount of Two Hundred Fifty Thousand and No/100 Dollars (\$250,000.00) per person, and Five Hundred Thousand and No/100 Dollars (\$500,000.00) for two (2) or more persons in any one accident, and, in addition, shall provide property damage liability insurance in a minimum sum of One Hundred Thousand and No/100 Dollars (\$100,000.00) for property damage growing out of any one accident or other cause. These amounts are not a limitation upon the Grantee's agreement to indemnify and hold the City harmless.

Grantee shall maintain said insurance with a solvent insurance company authorized to do business in the State of Texas. The policy shall provide that the insurer will defend against all claims and lawsuits which arise and will pay any final judgment of a court of competent jurisdiction against the City, its officers, agents, servants or employees and Grantee, its officers, agents, servants or employees. All policies shall be in a form acceptable to the City and shall name the City of El Paso, its officers, agents, servants and employees as additional insureds. The Grantee shall file a copy of the policy or a certificate of insurance with the City Building Permits and Inspections Department, the City Clerk, and the City Attorney of the City of El Paso.

Prior to the execution of this Special Privilege by the City Council, the Grantee shall deliver to the City the required certificate of insurance. The policy shall provide that it may not be canceled or the amount of coverage reduced without ten (10) days written notice to the City. Failure to keep the policy in full force and effect throughout the term of the Special Privilege shall be grounds for cancellation of this Special Privilege.

12. **FORCE MAJEURE.** The Grantee understands and agrees that in the event of public necessity, acts of God, or other circumstances beyond the control of the City, it becomes necessary for the City to cancel this Special Privilege, the City may do so without liability of any type to the Grantee and the Grantee forever releases the City from any and all claims whatsoever occasioned by cancellation pursuant to this paragraph.

13. **CANCELLATION.** Should the City at any time or for any reason decide that the public right-of-way onto which the Event is encroaching is needed for a public use

or facility, or due to a real threat to public safety, the City may upon ten (10) days written notice, cancel this Special Privilege at no cost to the City and may take possession of the public right-of-way. All rights of Grantee in the Premises shall then be terminated. Grantee may cancel this Special Privilege, for any reason, upon ten (10) days prior written notice to the City, and all rights of Grantee shall then be terminated.

14. **LIENS AND ENCUMBRANCES.** The Grantee hereby agrees to defend and indemnify and hold harmless the City against any liability and loss of any type arising from any lien or encumbrance on the Premises, arising from the Grantee's use of the Premises, unless such lien or encumbrance arises from acts or omission of the City.

15. **NON-ASSIGNABILITY.** The rights of the Grantee and the City under this Special Privilege are not assignable. Neither Grantee nor any participating merchant shall be authorized to lease, rent, or otherwise allow the use of any portion of the Premises by any non-participating merchant or for the sale of merchandise not principally sold by a participating merchant.

16. **MISCELLANEOUS.**

A. **Law and Ordinances.** The Grantee shall comply with all statutes, laws, codes and ordinances applicable to Grantee's use or occupancy of the Premises.
